"grief"

sometimes i

am

frustrated

with where i

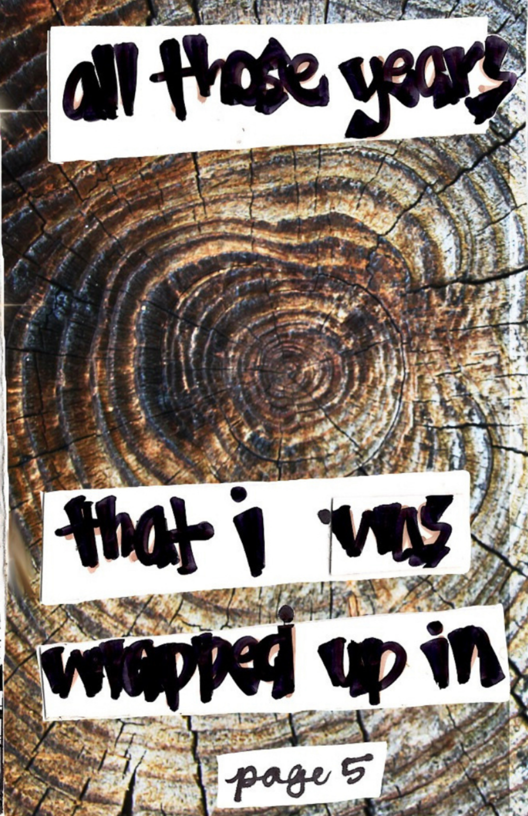
am in life,

ALL [redacted] SERENITY, [redacted]
bombards [redacted] ur channels [redacted] —where everything [redacted]
peaceful, has become [redacted] roots. [redacted]
his [redacted]
garden, was [redacted] at peace [redacted]
rilliant and restlessly creative [redacted]
a slower pace, away from the madness [redacted]
collected [redacted] over many year
[redacted] that sense of [redacted] — [redacted]
Sunshine [redacted]
her [redacted]
quiet and gorgeous
[redacted] way [redacted]

but then i

remember

[redacted]
she's [redacted]
secondhand from a flea mar-
ket in Seoul, [redacted]
an unfussy half-knot [redacted]
tonight we're [redacted]
joined by her dear friend [redacted]
sleep [redacted]
promised [redacted]
delicious [redacted] singsong.
[redacted]
it's early
November [redacted]
horns sound off
impatiently around us. [redacted]
her arms in the air, eager to embrace
the chaos [redacted]
she shouts



all those years
that i was
wrapped up in
page 5

grief
and anger.
and
page 6

I think
I'm
doing
OK.
